Working together for a Better Future!

A Veteran Success

Alan was receiving unemployment when he reached out to the WIOA program at CareerSource Pasco Hernando. He wanted to earn an IT certification in N+/S+ training at New Horizons. Alan had experience in the IT field, and held a Master's in Cybersecurity. However, without the needed certifications he was unable to secure employment.

October 2020, Alan received his certification, and as a result gained employment at KForce Staffing. He was then placed as a contractor with Quality Carriers as a Network Administrator earning \$22.00 per hour. Alan is now an official employee at Quality Carriers, as a Systems

Administrator. He is even anticipating an increase in pay coming March 2021!

Thank you for your service, Alan!
