JOB SEARCHING IN THE DIGITAL AGE IS STILL PERSONAL

DON'T SEND YOUR RESUME INTO THE ABYSS

Applying for jobs has changed dramatically in the digital age. Now, with the help of online job sites, candidates can submit resumes and apply for dozens of positions in a single day, but quantity often doesn't equal success.

Some applicants apply for hundreds of jobs with no response, essentially sending their resumes into a black hole. If that's where you are, it's time to change your approach.

These job-searching tips, paired with the resources we offer to career seekers, will help you use digital tools to find a job you love.

- **Include keywords in your resume and application**
- **Maximize your social media presence**
- **Personal contact still matters**
- **Follow-up is key**

At [**CareerSource Pasco Hernando**](#), we can help you develop your resume and practice interviewing techniques. We also offer assessments to identify careers that match your talents and skills, along with internships and on-the-job training programs.

Please contact us today and let us know how we can assist in your job search.
