Report on the Financial Statements

We have audited the accompanying financial statements of Pasco-Hernando Workforce Board, Inc. (d/b/a CareerSource Pasco Hernando) (a nonprofit organization) (the "Organization"), which comprise the statement of financial position as of June 30, 2019, and the related statements of activities and cash flows for the fiscal year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

Florida Institute of Certified Public Accountants • American Institute of Certified Public Accountants

Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of June 30, 2019, and the changes in its net assets and its cash flows for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. This information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated November 6, 2019, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Organization's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 1. NATURE OF OPERATIONS

Pasco-Hernando Workforce Board, Inc. (the "Organization ") is a not-for-profit corporation that was established under the laws of the State of Florida. The Organization is one of twenty-four Regional Workforce Development Boards in the State of Florida providing for the development, planning, monitoring and administration of grants and programs. The majority of the Organization's funding is through the following grants: Workforce Innovation and Opportunity Act (WIOA Title I), Temporary Assistance for Needy Families and Wagner Peyser.

The majority of the programs services are administered by sub-recipients (Goodwill Industries Inc. and Eckerd Youth Alternatives, Inc.).

The Organization covers Region 16 which includes Pasco and Hernando counties. The governing body of the Organization consists of Board members who are appointed by local officials to oversee conformance with grant regulations. A substantial portion of the Organization's support and revenue is received from the Florida Department of Economic Opportunity.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Financial Statements

The financial statements and notes are representations of the Organization's management who is responsible for their integrity and objectivity. The accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The financial statements are presented in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958 dated August 2016, and the provisions of the American Institute of Certified Public Accountants (AICPA) "Audit and Accounting Guide for Not-for-Profit Organizations" (the Guide). (ASC) 958-205 was effective January 1, 2018.

Under the provisions of the Guide, net assets and revenues, and gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Organization and changes therein are classified as follows:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. The Organization's board may designate assets without restrictions for specific operational purposes from time to time.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

actions of the Organization or the by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained on perpetuity. The Organization held no assets with donor imposed restrictions at year end.

Measure of Operations:

The statements of activities reports all changes in net assets, including changes in net assets from operating and non-operating activities. Operating activities consist of those items attributable to the Organization's ongoing activities. Non-operating activities are limited to resources that generate return from investments, endowment contributions, financing costs, and other activities considered to be of a more unusual or nonrecurring nature. There were no non-operating activities for the year ended June 30, 2019.

Basis of Accounting and Presentation

The Organization uses the accrual basis of accounting, in which revenues are recognized when they are earned and expenses are recognized when they are incurred. Revenues and the related expenses of cost-reimbursement grant programs are recognized as allowable costs are incurred. The Organization recognizes revenues from exchange transactions when the services are rendered. Receivables are recognized for outstanding invoices.

Accounts Receivable

The Organization's accounts receivable mainly consist of amounts receivable from governments and governmental agencies for grants and appropriations. The Organization considers its receivables to be fully collectible. Accordingly, no allowance for doubtful accounts has been recorded. Any accounts deemed uncollectible would be charged to expense when the determination is made. There were no uncollectible accounts during the fiscal year ended June 30, 2019. The Organization does not charge interest on outstanding accounts receivable.

Prepaid Expenses

Prepaid expenses consist of prepaid rents and leases, insurance and other annual contractual and dues renewals.

Deferred Revenue

Deferred revenue represents grant money which has been received, but for which the prescribed services have not yet been completed. These revenues will be recognized as income when these services are completed.

Fair Value of Financial Instruments

The following methods and assumptions were used to estimate fair value of each class of financial instruments for which it is feasible to estimate that value:

Cash, Accounts Receivable and Accounts Payable – Carrying amount approximates fair value due to the short maturity of these financial instruments.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Contributions and Restricted Net Assets

Unconditional contributions are recognized when received and recorded as net assets without donor restrictions or with donor restrictions, depending on the existence and/or nature of the donor-imposed restrictions. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Gifts of cash and other assets are reported with donor restricted support if they are received with donor stipulations that limit the use of the donated assets. When a restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, net asset with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as net assets without donor restriction support. Donations of property and equipment are recorded as support at their estimated fair value at the date of donation. Contributions restricted for the acquisition of land, buildings, and equipment are reported as assets without donor restriction upon acquisition of the assets and the assets are placed in service.

The Organization historically does not receive contributions from donors. Primarily all of its funding is through grants, which must be expended on specified programs or activities. Cost reimbursement grants are recorded as revenue when the related expenses have been incurred. Other grants are recorded as support and revenue when earned. As of June 30, 2019, all net assets of the Organization were without donor imposed restrictions.

Donated Use of Assets and Donated Services

The estimated fair value of the free use of assets owned by others, and the estimated fair value of contributed services of individuals with special skills over which the Organization exercises control, and which constitutes an enhancement to the normal program or services that would not otherwise be performed by paid personnel, the amount of which is clearly measurable, are also recorded, when applicable, and reflected in the accompanying financial statements.

Fixed Assets

Property and equipment are recorded at cost, if purchased by the Organization, or at fair market value at the date of the gift, if received as a donation. The Organization capitalizes those assets with a cost of \$5,000 or greater. Depreciation is provided using the straight-line method over the following estimated useful lives:

<u>Assets</u>	<u>Years</u>
Software	3
Computer and Office Equipment	3
Vehicles	5
Furniture and Fixture	10

Substantially all fixed assets recorded by the Organization were acquired with Federal funds. Accordingly, certain rules and regulations apply to the acquisition, recording, use and disposition of such fixed assets, including authorization for disposal by the specific grantor agency.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Taxes

The Organization is exempt from federal income taxes under the provisions of the Internal Revenue Code Section 501(c)(3). Management has evaluated the effect of the guidance provided by U.S. Generally Accepted Accounting Principles on Accounting for Uncertainty in Income Taxes. Management believes that the Organization continues to satisfy the requirements of a tax-exempt organization at June 30, 2019. Management has evaluated all other tax positions that could have a significant effect on the financial statements and determined the Organization had no uncertain income tax positions. As required by the Internal Revenue Service's regulations, the Organization annually files a Form 990, "Return of Organization Exempt from Income Tax" with the Internal Revenue Service. Those returns for 2019, 2018, and 2017 are currently subject to review and adjustment by the Internal Revenue Service.

Cash and Cash Equivalents

For purposes of reporting cash flows, the Organization considers all investments with an original maturity of three months or less to be cash equivalents.

At June 30, 2019, the Organization had bank balances totaling \$579,218 in a regional bank. The bank balances are insured by the Federal Deposit Insurance Corporation up to \$250,000. Uninsured cash balances at June 30, 2019 were \$329,218.

Paid Leave Time

Organization employees are entitled to certain paid leave time benefits based on length of employment and other factors. These benefits either vest or accumulate and are accrued when they are earned. The amount of paid leave time accrued at June 30, 2019 was \$283,633.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Costs that are directly related to the Organization's specific purpose has been recorded as a direct expense and included as program services. Certain costs which are directly shared have been allocated, based on a percentage of direct costs, among programs and supporting services. Indirect costs are allocated to benefiting programs based upon an indirect cost rate approved by the U.S Department of Labor.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (generally accepted accounting principles) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, support and expenses during the period. Actual results could vary from the estimates that were used.

NOTE 6. GRANTS AND CONCENTRATION

Grants are subject to renewals and period amendments and require the fulfillment of certain conditions as set forth in the instrument of the grant. Failure to fulfill the conditions could result in the return of the funds to grantors. Although that is a possibility, the Organization deems the contingency remote since by accepting the contracts and their terms it has accommodated the objectives of the grantors to the provisions of these contracts.

Grants accounted for approximately 96% of revenues for the fiscal year ended June 30, 2019. Should a significant reduction in funding occur, the Organization's ability to fund its programs would be greatly reduced.

NOTE 7. RETIREMENT PLAN

The Organization sponsors a 401(k) retirement plan for its employees who have attained 21 years of age. Voluntary employee contributions are allowed from eligible employees. The Organization makes a matching contribution of up to 5 percent of employees' eligible earnings. Although not required to do so, the Organization may decide to make additional contributions to the Plan. This additional contribution, if made, will be allocated to all employees eligible to participate in the Plan as of the end of each Plan year based on eligible earnings within the computation period. Employees are fully vested in their total account balance in the Plan. During the fiscal year ended June 30, 2019, the Organization made matching contributions of \$106,676 to the Plan.

NOTE 8. LEASE COMMITMENTS

As Lessee

The Organization leases office space under operating leases with varying terms through 2020. Total	<u>\$ 72,061</u>

NOTE 9. CONTINGENCIES

The Organization is subject to federal and state audits to determine compliance with grant funding requirements. In the event that expenditures would be disallowed, repayment could be required. Government grants require the fulfillment of certain conditions as set forth by applicable laws, rules and regulations and in the grant agreements. Failure to fulfill the conditions could result in the return of the funds to the grantor.

NOTE 10. RELATED PARTIES

The Organization's Board of Directors includes representatives of both the private and public sector industries. During the fiscal year ended June 30, 2019, the Organization did not have any related party transactions.

Certain costs which are directly shared, have been allocated to programs based upon the relative benefit received. The Organization allocates indirect costs that cannot be identified as benefiting a specific program. Indirect costs are allocated to benefiting programs based upon an indirect cost rate approved by the Florida Department of Economic Opportunity. The following is a table of cost allocation methodologies for expenditures which are allocated:

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors
Pasco-Hernando Workforce Board, Inc.
(d/b/a CareerSource Pasco Hernando)
Brooksville, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of Pasco-Hernando Workforce Board, Inc. (a nonprofit organization) (the "Organization"), which comprise the statement of financial position as of June 30, 2019, and the related statements of activities and cash flows for the fiscal year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 6, 2019.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified.

Compliance and Other Matters

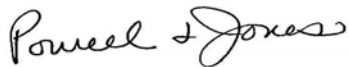

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our

tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

This report is intended for the information of the management, Board of Directors, and grantor agencies and is not and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Directors
Pasco-Hernando Workforce Board, Inc.
(d/b/a CareerSource Pasco Hernando)
Brooksville, Florida

Report on Compliance for Each Major Federal Program

We have audited Pasco-Hernando Workforce Board, Inc.'s (a nonprofit organization) (the "Organization ") compliance with the types of compliance requirements described in the OMB Compliance Supplement that could have a direct and material effect on the Organization's major federal programs for the fiscal year ended June 30, 2019. The Organization 's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on Each Major Federal Program

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal programs identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs for the year ended June 30, 2019.

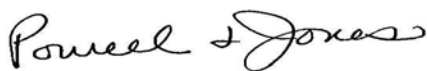

Report on Internal Control Over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
